

## **Edwin H. Chauncey '55 Memorial Scholarship**

This Scholarship will be established through the generosity of the Donor, Mr. Warren F. Chauncey and will be known as the Edwin H. Chauncey 1955 Memorial Scholarship.

The purpose of this Scholarship is to provide need-based aid to cadets. Financial awards may be full or partial scholarships and may be directed to fund study during the regular academic year and summer school at the Institute as well as study abroad. Awards of the Scholarship may be renewable annually throughout the cadetships of its recipients, pending their satisfactory academic performance at VMI.

The Superintendent of VMI or his designated representative, normally the Director of Financial Aid, will determine recipients of the Scholarship.

The Donor plans to make gifts during his lifetime which may be used to provide annual scholarships. These are to be awarded to incoming Fourth Classmen.
