Shelley 1926-Foster 1956 Scholarship (F)

Initiated in 2001 by Mr. P. W. Foster '56, this scholarship pays honor to Mr. Shelley '26 and provides need-based financial aid for cadets at the Institute. First preference will be given to VMI football athletes who have "walked on" the intercollegiate football team and do not hold athletic scholarships. Should there be no "walk on" football players eligible, it may be awarded to other cadets with demonstrated financial need.
